

# The 3rd International Conference on Robotics and Intelligent System (ICRIS 2020)

The 3rd International Conference on Robotics and Intelligent System (ICRIS 2020). It will take place in Rome, Italy during February 14-16, 2020. This conference provides a very good opportunity for research scientists, investors, industrial and government representatives to present the latest innovations, novel results and the-state-of-the-art ideas.

An intelligent system is a machine with an embedded, Internet-connected computer that has the capacity to gather and analyze data and communicate with other systems. Other criteria for intelligent systems include the capacity to learn from experience, security, connectivity, the ability to adapt according to current data and the capacity for remote monitoring and management.

## PUBLICATION

All submissions will be peer reviewed 2-3 reviewers, and the accepted papers after registration will be published in Conference Proceedings, Indexed by SCOPUS, Ei Compendex (CPX). Selected papers from the conference will be invited to submit to the International Journal of Mechanical Engineering and Robotics Research (IJMERR), ISSN: 2278-0149. IJMERR is indexed in many international databases including Scopus, Google Scholar, Index Copernicus, ProQuest.

## SUBMISSION

Authors are invited to submit papers through the Electronic Submission System before September 25, 2019. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this conference.
